# Mt. Olympus Consists Of Four Parks In One

## **The Indoor Water Park & Theme Park (130,000 sq. ft.)**

One of America's largest. The indoor water park consists of 4 towering water slides, wade through an activity, two enormous warm whirl-pools with waterfalls, a relaxing floating river and kids love the 35 ft. interactive sunken pirate ship, complete with 5 water slides and spray features for the ultimate water fight!

The indoor theme park is packed with exciting all-weather attractions. Enjoy twirling teacups, bouncing banging bumper karts, a spring ride, and the crazy trolley! Plus, the Alien Encounters Dry Play Area: with space stations, ball blasters and a cool tumble tube. It's out-of-this-world family fun! Along with the 1,500 sq. ft. video redemption arcade center, shooting gallery, laser tag and bowling. Your family will be entertained for hours laughing and screaming.

## **The Outdoor Water Park & Theme Park**

Our outdoor water park features The Great Pool Of Delphi, The Lost City of Atlantis and The River Troy - the World's fastest adventure river! Also Poseidon's Rage unleashes a monstrous crash of 1.5 million gallons of water bellowing out huge waves up to 9 feet tall every 90 seconds, giving it the title of having the World's largest surf wave. All in all there are a total of 44 slides, 2 endless rivers, 1 adventure river, 2 raft rides, a wave pool and a surf pool. That's a lot of water!

The Theme Park is filled with bone chilling excitement. There are 6 rollercoasters, including the award winning Hades 360 upside down rollercoaster, 7 go-kart tracks and a kiddie wonderland consisting of 6 rides to thrill the young ones.

Sitting on 156 acres of adventure, Mt. Olympus is more than just another water park, it's the biggest water park and theme park in Wisconsin Dells. Medusa's Indoor Water Park and The Parthenon Indoor Theme Park are open all year!
